Is this the place of your dreams?

Artist Mark Titchner is making artworks for Colchester town centre. These will be placed in the windows of empty shops around the town.

Mark is asking the people of Colchester to consider the issues that are most important to the town and make these into a question. These questions will form the basis of the artworks he will create.

What would your question be? *Please use the space below to type your question:*

Please return completed forms to Emma Reeve, emma@firstsite.uk and Kirsty White, kirsty@firstsite.uk
