Celebrate Christmas

with a fun and festive night at Firstsite

"We all had a wonderful night and cannot thank and praise all of you and your staff enough. We will definitely recommend you and will be using you again as our main events facility."

Davies Motor Group

Firstsite's stunning building, with its dramatic frontage and beautiful gallery spaces provides an unforgettable setting for your party.

Relax at our bar on arrival. Then enjoy a three course sit down dinner along with a fully stocked bar in our Winter Wonderland, before dancing the night away with our resident DJ.

Celebrate and support your local community

Firstsite is a registered charity; holding your Christmas party with us means you are not only supporting the great exhibitions and social enterprises based here but you are also supporting the local community.

We work closely with some incredible causes and any profit made at Firstsite goes straight back to these projects.

"It is hard to please an entire team of people at a staff Christmas party however Firstsite did just that!"
