

On 27 April 2024, I'm going to the cinema at Firstsite.

I will need to go through the temporary entrance to Firstsite, which is around the back of the building, via the Berryfield Lawn.

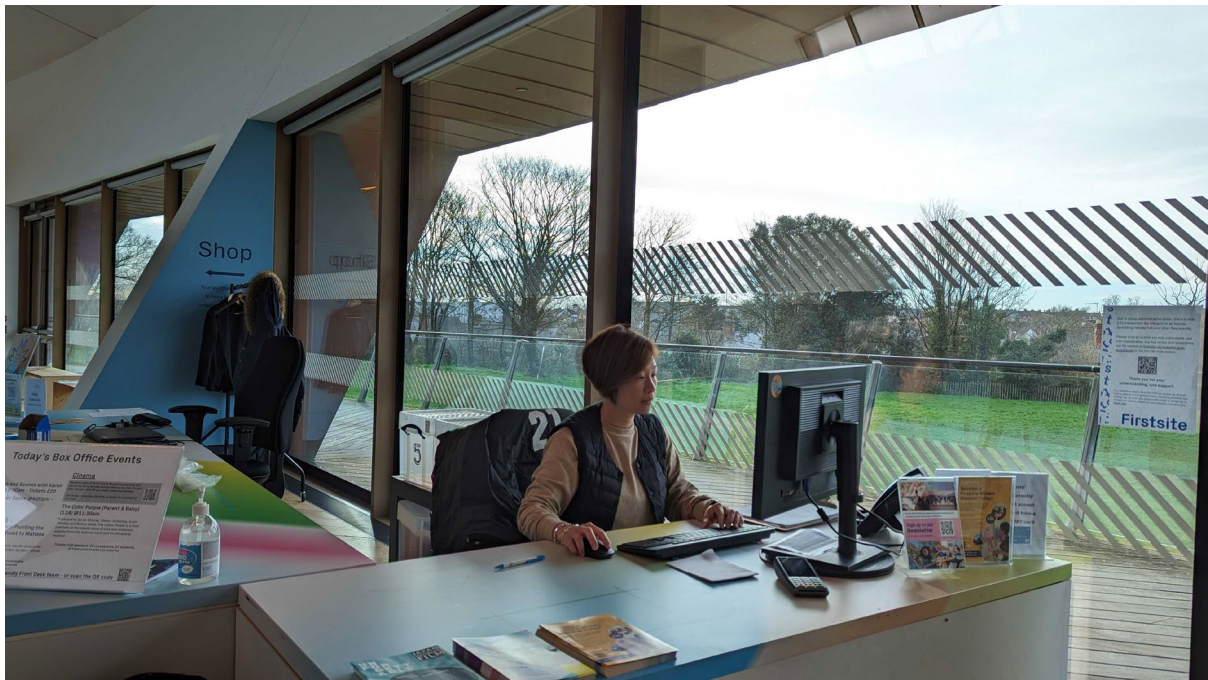

There is a ramp to provide step-free access.

The temporary entrance will bring me to the centre of Firstsite.

When I go into the building there will be a Welcome Desk. Here I will need to get a ticket or show my ticket that I've booked online.

At the Firstsite Welcome Desk, I can choose from a selection of sensory objects to take into the cinema with me.

Ear defenders are also available to borrow for the duration of the film.

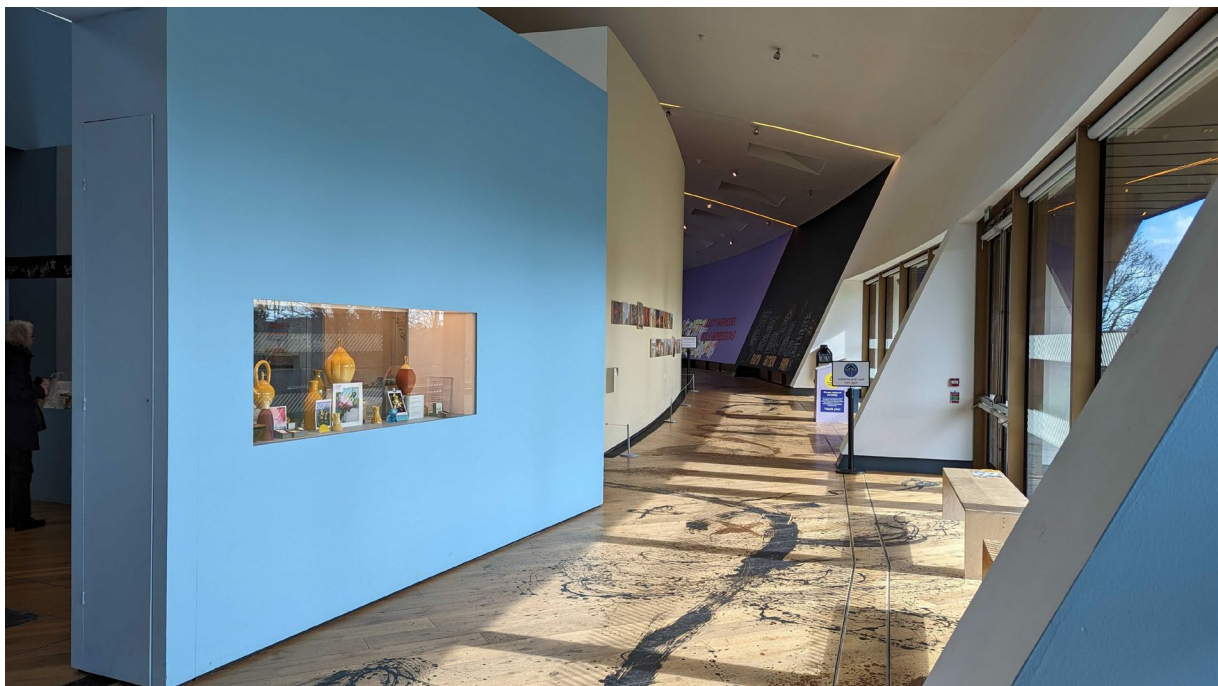

These must be handed back to the Firstsite Welcome Desk after I have finished using them.

There is a shop in front of me.

I can follow the curve to the right from the shop to see the exhibitions or visit the café and the toilets.

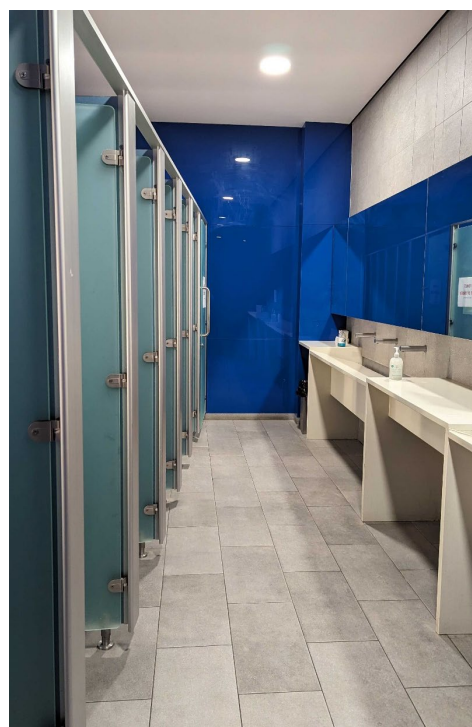

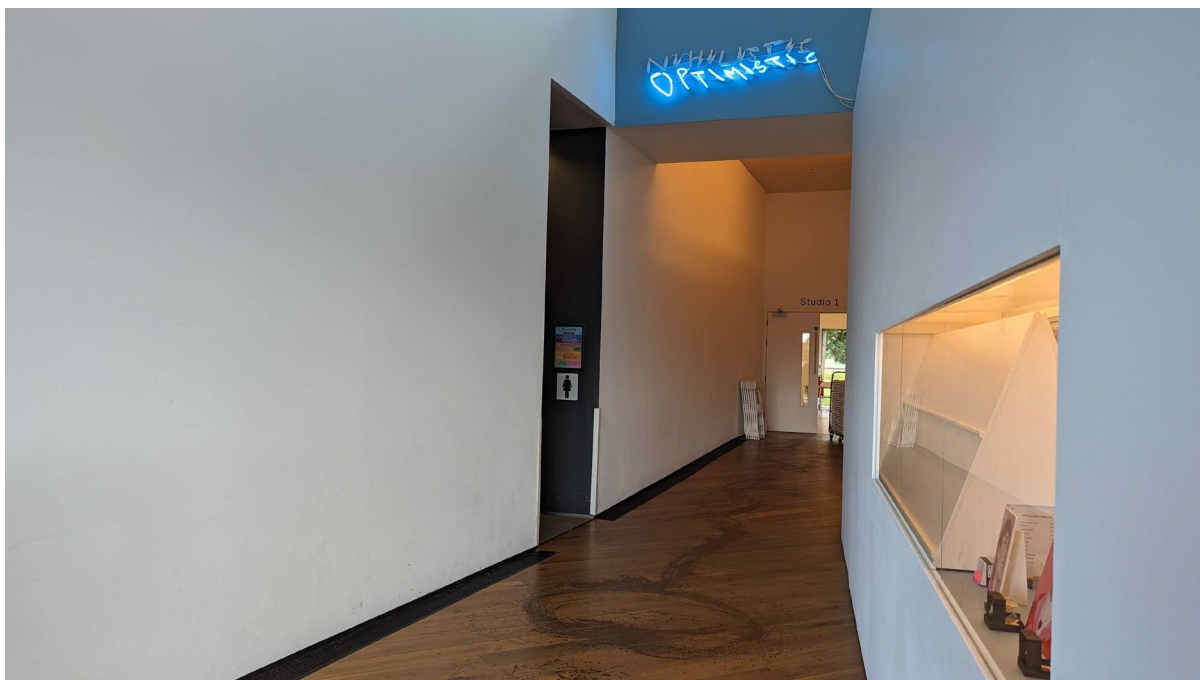

I can follow the building to the left from the shop where there is the cinema and more toilets.

The first toilets I will come across are either side of the shop.

Female toilets on the left.

Male and wheelchair accessible toilets on the right side of the shop.

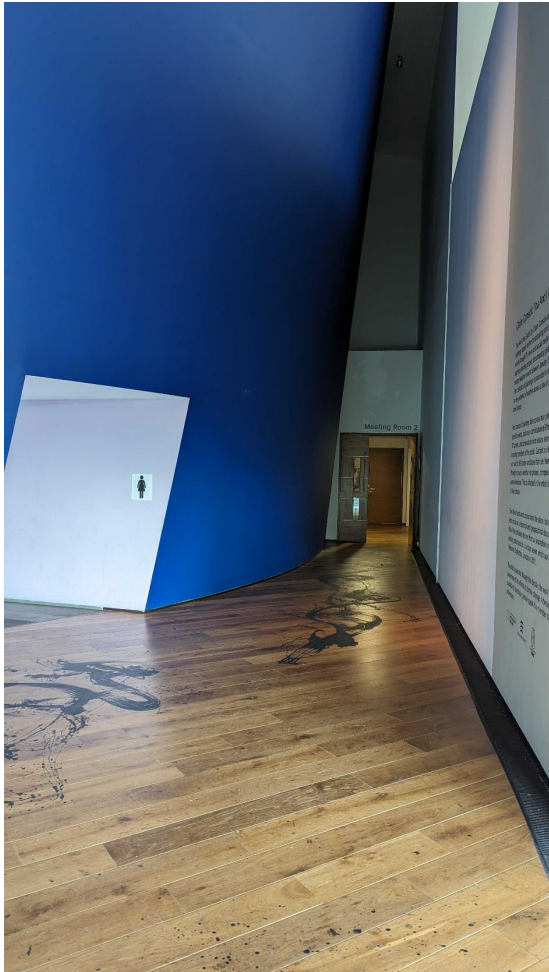

There are more female toilets on the right side of the cinema building.

The cinema is a large blue building on my right.

I will need to walk down the corridor to get to the cinema entrance.

**I will go through this door to get to the cinema.
I may have to queue. I will need to show the
usher my ticket that I have printed at home or
show my ticket on a phone.**

I will go into the cinema to watch the film.

I will need to find my seat and sit down.

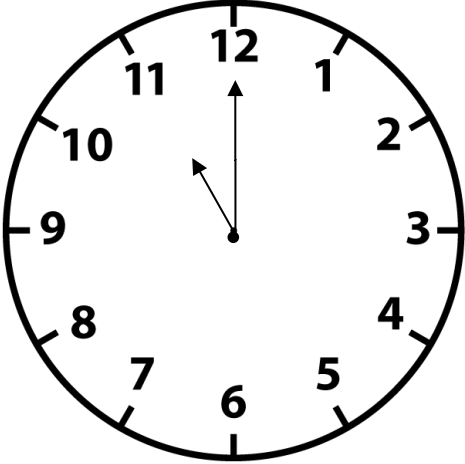

Once I have found my seat I will watch the film.

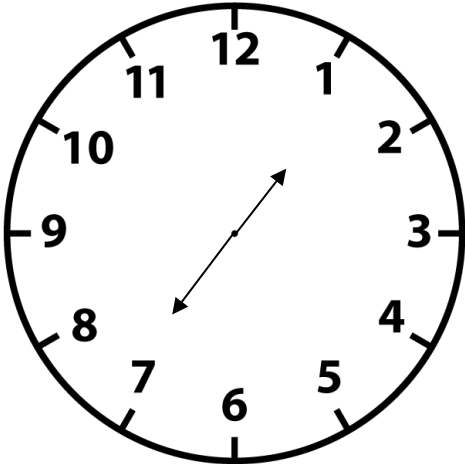

If I want to, I can move and sit in a different seat within my allocated bubble.

I can go into the cinema at 11:00am and start watching the film.

The film will finish at 1:36pm and I will leave the cinema.
