

**On 19 September 2026, I'm going to the cinema
at Firstsite.**

I will need to go through the Firstsite main entrance.

When I go into the building there will be a big sculpture of a man.

On my left will be the Firstsite Shop.

When I get to the reception, I will need to get a ticket, or show my ticket that I've booked online.

At the Firstsite Welcome Desk, I can choose from a selection of sensory objects to take into the cinema with me.

Ear defenders are also available to borrow for the duration of the film.

These must be handed back to the Firstsite Welcome Desk after I have finished using them.

I can follow the curve of the building where there is the cinema, toilets, Café and gallery spaces.

The first toilets I will come across are either side of the blue curved cinema.

There are more toilets further along the building and in the café.

The cinema is a large blue building on my left.

I will need to walk down the corridor to get to the cinema entrance.

**I will go through this door to get to the cinema.
I may have to queue. I will need to show the
usher my ticket that I have printed at home or
show my ticket on a phone.**

I will go into the cinema to watch the film.

I will need to find my seat and sit down.

Once I have found my seat I will watch the film.

If I want to, I can move and sit in a different seat within my allocated bubble.

I can go into the cinema at 11:00am and start watching the film.

The film will finish at 12:46pm and I will leave the cinema.

Coyote Vs. Acme

After decades of being blown to bits by bombs, demolished by dynamite, mangled by magnets, battered by boulders, trampled by trains, tricked by tunnels, sprung by springs, steamrolled by steamrollers, maligned by misfires, bedeviled by bungees, rattled by rockets, backstabbed by bat suits, rocked by rocket skates, upended by unicycles, quaked by quake pills, rubberized by rogue bands, and hurled headlong off every cliff in the Southwest, Wile E. Coyote (Genius) finally fights back.

Teaming up with billboard accident lawyer Kevin Avery (Will Forte), he takes on slick corporate counsel Buddy Crane (John Cena) and ACME, Inc., the profit-obsessed conglomerate behind every one of the Coyote's chaotic catastrophes.
