On 21 November 2026, I'm going to the cinema at Firstsite.

I will need to go through the Firstsite main entrance.

When I go into the building there will be a big sculpture of a man.

On my left will be the Firstsite Shop.

When I get to the reception, I will need to get a ticket, or show my ticket that I've booked online.

At the Firstsite Welcome Desk, I can choose from a selection of sensory objects to take into the cinema with me.

Ear defenders are also available to borrow for the duration of the film.

These must be handed back to the Firstsite Welcome Desk after I have finished using them.

I can follow the curve of the building where there is the cinema, toilets, Café and gallery spaces.

The first toilets I will come across are either side of the blue curved cinema.

There are more toilets further along the building and in the café.

The cinema is a large blue building on my left.

I will need to walk down the corridor to get to the cinema entrance.

I will go through this door to get to the cinema. I may have to queue. I will need to show the usher my ticket that I have printed at home or show my ticket on a phone.

I will go into the cinema to watch the film.

I will need to find my seat and sit down.

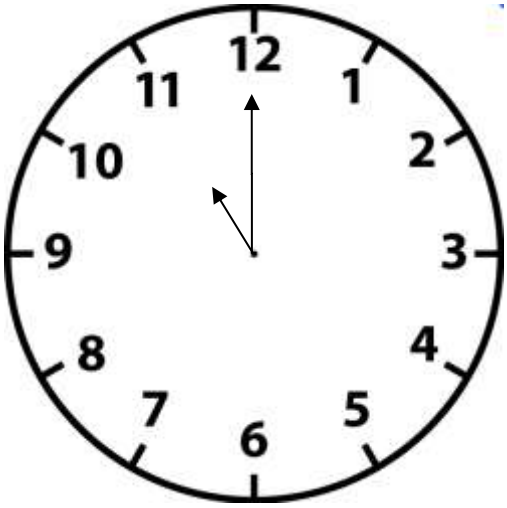

Once I have found my seat I will watch the film.

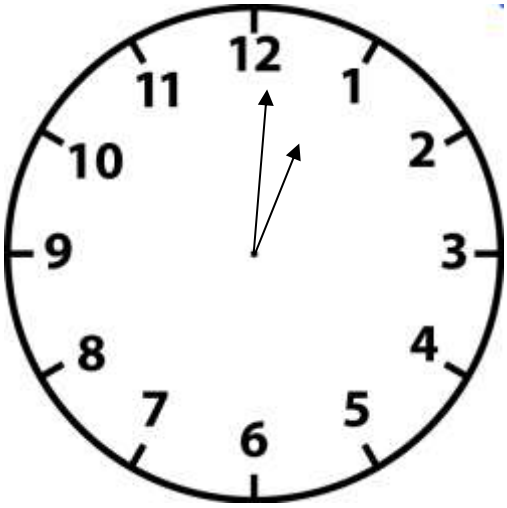

If I want to, I can move and sit in a different seat within my allocated bubble.

I can go into the cinema at 11:00am and start watching the film.

The film will finish at 13:01pm and I will leave the cinema.

Forgotten Island

Your best friendship is worth fighting for.

DreamWorks Animation, the studio now welcomes a dazzling and emotional story about two lifelong best friends who must come together before they drift apart in Forgotten Island.

While celebrating their last night together, Jo and Raissa stumble upon a mysterious portal that transports them to the fantastical island of Nakali, packed with magical and mythological creatures they grew up hearing stories about from their Filipino families.

Some of these figures will become friends, some foes. Joined by well-meaning-but- hapless weredog Raww (Dave Franco) and a small-but-mighty pack of pals, Jo and Raissa must face The Dreaded Manananggal (Tony winning icon Lea Salonga), the most feared creature on the island.

When they discover that the memories of their entire friendship are the price for returning home, Jo and Raissa will race to find a way to leave the island before they forget each other forever.
