On 5 December 2026, I'm going to the cinema at Firstsite.

I will need to go through the Firstsite main entrance.

When I go into the building there will be a big sculpture of a man.

On my left will be the Firstsite Shop.

When I get to the reception, I will need to get a ticket, or show my ticket that I've booked online.

At the Firstsite Welcome Desk, I can choose from a selection of sensory objects to take into the cinema with me.

Ear defenders are also available to borrow for the duration of the film.

These must be handed back to the Firstsite Welcome Desk after I have finished using them.

I can follow the curve of the building where there is the cinema, toilets, Café and gallery spaces.

The first toilets I will come across are either side of the blue curved cinema.

There are more toilets further along the building and in the café.

The cinema is a large blue building on my left.

I will need to walk down the corridor to get to the cinema entrance.

I will go through this door to get to the cinema. I may have to queue. I will need to show the usher my ticket that I have printed at home or show my ticket on a phone.

I will go into the cinema to watch the film.

I will need to find my seat and sit down.

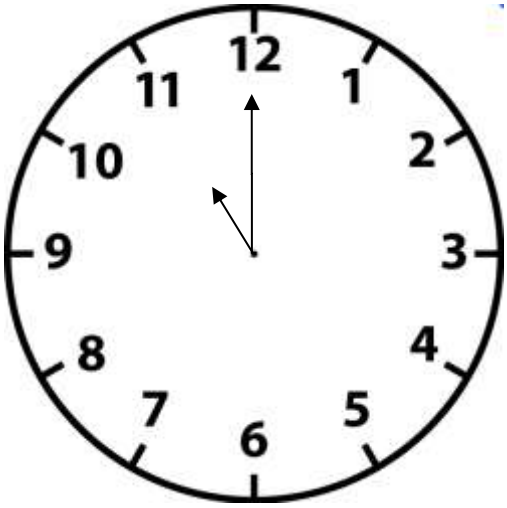

Once I have found my seat I will watch the film.

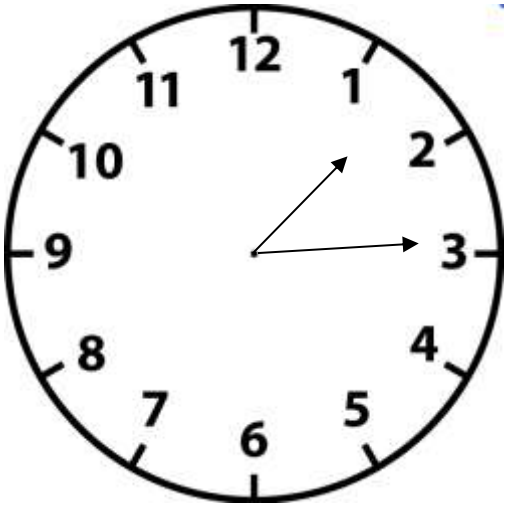

If I want to, I can move and sit in a different seat within my allocated bubble.

I can go into the cinema at 11:00am and start watching the film.

The film will finish at 1:15pm and I will leave the cinema.

Wildwood

After her baby brother is abducted by a murder of crows, headstrong teenager Prue McKeel (Peyton Elizabeth Lee) launches a desperate rescue mission into the Impassable Wilderness - an enchanted forest hidden just beyond Portland, Oregon.

Joined by her hapless but loyal classmate Curtis Mehlberg (Jacob Tremblay), Prue navigates a world of talking animals, bandits, and powerful figures driven by grief and ambition.

As the pair is drawn into a conflict threatening the balance of the forest itself, Prue must discover the strength and belief she never knew she possessed.

If she hopes to save her brother and protect Wildwood's fragile future, she will have to risk everything.

From Oscar®-nominated and BAFTA®-winning LAIKA, Wildwood is a sweeping adventure about love, sacrifice, and the magic that reveals itself when we dare to look beyond the familiar.
